

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Specifications and Advertisement for Bids for Radio Equipment for Police Partners Program

MEETING DATE: October 6, 1999

PREPARED BY: Police Chief

RECOMMENDED ACTION: That the City Council approve specifications and authorize advertisement for bids for ten portable radios and six mobile radios for the Police Partners Program.

BACKGROUND INFORMATION: Due to continued expansion of the volunteer program, the Partners currently have a need for ten portable radios and six mobile radios (one for each Partners patrol unit). More importantly, donations to the program are at a level where this acquisition can be funded entirely by community contributions.

To maintain equipment uniformity, the department has selected the Motorola HT750 portable and the Motorola SM120 mobile radios for assignment to the Partners. These radios are expected to serve the needs of the Partners for several years.

FUNDING: Community Donations through Police Partners Operating Fund  
Estimated Cost: \$12,500

BID OPENING: October 20, 1999

  
Larry D. Hansen, Chief of Police

Prepared by Joel Harris, Purchasing Officer

  
Vicky McAthie, Finance Director

cc: Jeanie Biskup, Police Volunteer Supervisor

APPROVED: 

H. Dixon Flynn - City Manager
